

This document explains how to clear the cache and cookies in Mozilla Firefox 21+.

1. In the menu bar, click on **History > Clear Recent History..**

2. In the window that appears, click on the dropdown menu to the right of **Time range to clear** and select **Everything**. If necessary, expand the **Details** section and check both **Cookies** and **Cache**.

3. Click **Clear Now**. The progress wheel may spin for a few minutes, depending on how much data needed to be deleted. Once it has stopped, the process is complete.
